there will be no fuss about it.

The Boston team has tried eight The number of pitchers this year. jugs tried is not given.

"All things come to those that wait." Yes, even death will come to them if ditional delay. they do nothing else but only wait.

Note the call for the Democratic territerial convention on September 15. County committees, govern yourselves

very badly punctured.

kicking about?

sense which they endorse in one breath the "new and complete registration" effects of pre-existent causes. So they missioners of Douglas county, because that troubles the Republican carpers that troubles the Republican carpers are the campaign to succeed, these hogs have not been at the public bill is "a protectionist measure in ev-ery schedule, as the Sun states, then the Republicans ought to endorse it, If it is not, then they shouldn't en-ber of years, and if established before distresses, upon the Democratic party. dorse the Sun's bit of buncombe. It would have aided in preventing gross puts them is a hole anyway.

Every report which has been circulated that when Grover the affairs of the country to President Harrison there was about \$190,000,000 in the treasury. To this the Tribune responds, "The same old liar," and then goes on in a roundabout fashion to tacity admit the truth of the statement. Of course it cannot be fairly denied. But it worries the truth of the case be fully investigated.

Every report which has been circulated to prejudice the people against the minate, and come forth, and ripen and be ready for the reaper. He would not credit a man who came into possession of a field of wheat just when it was refused to cut, with the labor performed by the previous possessor who planted by the previous possessor who planted by the previous possessor who planted thim be exposed. If any person lawfully continued to register is denied the right, cannot be fairly denied. But it worries that the case be fully investigated. cannot be fairly denied. But it worries let the case be fully investigated, weeds come to seed, for the bad cultimild-mouthed contemporary and it hasn't sense enough to keep still.

There has been a growing pressure of hard times for fifteen years, not because of the tariff laws, but because of the condition of the finances which grew out of the tampering with silver first in 1873." Democratic speakers, paste that in your memorandum books. It is from an editorial in the Salt Lake Tribune of August 22, 1894. Paste it for two reasons: It is true, and truth murder in Utah, or rather the method that all the woes of the times are due is a rara avis in the Tribune. It also of his intended execution. The Repub- to the McKinley law. It was the crownknocks on the head the Republican pretence that the Democrats are responsible for the "hard times."

John B. Thatcher, of Gentile Valley, who has been nominated for Lieutentant-Governor of idaho, is a well-known Mormon and old resident, highly respected and a thorough Democrat. He will be a strength to the ticket. So will Joseph C. Rich, of Bear Lake, as District Attorney for the Fifth Judicial District, and J. B. Stoddard, of Cassia county, as State Auditor. The nomination of these gentlemen is the strongest what is there of border civilization and the only evidence it could adduce with the strongest of the segment of the s evidence that can be given of the bleaking down of religious lines in Idaho affairs. The Democratic party choice of the manner of his execution? Into power these troubles came also, there is certainly bent on doing justice of the manner of his execution? In response to that, we have cited the sorrows and afflictions that have followed by the control of the co tice to all classes and sections.

The Salt Lake Tribune of Wednesday devot I the whole of its editorial space with one small exception-and that was merely a brief repetition of semething down as he went. It had said before—to the utterance of for example: "The same old liar;" "petty larceny business;" "dishonest newspaper;" "idiotic journal;" "imbecility and dishonesty;" "a little above the "pretends not to be a liar," etc. Such Republican arguments of course prove protection to be beneficial, the fusions, brimful of blackguardism, to man to death like a dog or joiting the be a same and polished gentleman. be a sane and polished gentleman. Quod eral demonstratum.

The Philadelphia Ledger has the following to say in answer to churlish remarks about the Executive of the mation: "President Cleveland has taken his too brief summer holiday late, and not until the effects of heat, unceasing labor and extraordinary devotion to the exacting and onerous dupressed his office admonished his taken that an advance both upon border and eastern civilization? The feelings of the condemned are there entirely ignored. To give him the choice of the manner of his taking off is, in our view, an improvement on both. We hope the State of Utah will preserve this wise provision of the pentagon of th The Philadelphia Ledger has the were necessary. law. And now that fatultous sheet the Democrats in a "hole." proves the folly of its own position by these remarks:

these remarks:

Why did not our contemporary add more counts to its indicment? Why did it not say that under the McKinley law the cholera was raging in Russia and the black plague in China; that since its passage there has been a mighty earthquake in Smyrna and the president of the French republic has been assassinated; that while that bill has been on the statute books China and Japan have gone to war against each other; that since that bill has been on the statute books there has been a great rebellion to try to overthrow the republic of Brazil? When finding the reasons to condemn a thing, why not give them all, especially all the probable ones? There would be just as much sense in ascribing either of the calamities which are mentioned above to the McKinley law, as the ones our contemporary ascribes to it.

Just take out from that precious par-

Just take out from that precious paragraph the words "McKinley law" and "Democratic administration," and the reasoning (?) of the Republican sheet, and its party, and its stump speakers, will stand self-exposed. There ties of his office admonished him that al statutes of the territory, and we would be just as much sense in saying the rest and a change of place and air think older states would profit by its the Vigilant was beaten by the Britanwould be just as much sense in saying nia, the shipwrecks occurred at sea, the scarlet fever broke out in Brooklyn, the sun burned the grain in Dakota, and Mars has been found to be without an atmosphere, as results of the election of the Democratic party to power, as to ascribe evils with which and that event there is and can be no natural connection.

But as to any disasters which have carlet fever broke out in Brooklyn, the sun burned the grain in Dakota, and Mars has been found to be without triotic fidelity, intelligently directed mittee has called the convention to tion of the Democratic party to power, seal and energy, and no President has nominate a Delegate to Congress for as to ascribe evils with which and that had, or has demonstrated he has had. nust be blamed if anybody for the condition of affairs which were evident esuits of previous causes.

The practical settlement of the tariff question during the week was followed by an increase in the business of the country at the leading trade centers of the ast, west and south.—Mail and Express (Rep.).

This was in the very face of the dole-ful predictions of the protectionists who ful predictions of the protectionists who said the new tariff bill would ruin the

The Republicans may not carry Missouri for state officers this year, but they are likely to go near enough to it to compel the Democrats to put it in the doubtful list m 1896.—St. Louis Globe-Democrat (Rep.).

Standing alone the single-taxers, Prohibitionists, silver cranks and crazy paternalists succeed only in convincing the public that the crank contingent of the country fails to maintain its proportional ratio in a general increase of population.

—Philadelphia Times.

country fails to maintain its proportional ratio in a general increase of population—Philadelphia Times.

To make the collection of cranks complete there should be an assortment of goldites. They would supply the "I am blanks."

The stearing washed the code anything like phazed. I never rode anything like phazed like holier than thou" element.

While Congress has been discussing the tariff the people have been discussing the money question. The result is that to-day, the remonetization of silver has become the paramount issue in the mind of the public. Salish interests have tried in vain to ignore it, and ignorance has done its best to muddle it, but all to no purpose. It overlaps and overreaches party lines.—Atlanta Constitution (Dem.).

The money question will be the issue of the near future. The country will demand the undoing of the demonetization of silver by the Republicans in 1873. Commenting on Senator Teller's re

marks concerning silver having no place in a state campaign, the Denver News

It is trivial for Senator Teller to say that since all are for silver in Colorado, the question does not properly come within the purview of a state campaign.

Every day furnishes added proof of the business revival, clearly brought about by the passage of a Democratic tariff by a Democratic Congress.—N. Y. Morning Journal.

It will be hard for the Republicans to reconcile this revival with their claim that to lower the tariff would be to pros-trate further the already prostrated business of the country.

### PEOPLE OF PROMINENCE.

Ex-President Harrison celebrated his first birthday on Monday, with one eye on Governor McKinley, of Ohlo, and the oth-er on Hon. Thomas B. Reed, of Maine.

Chancellor Caprivi, of the German em-pire, has decided to spend his vacation this summer at Carlsbad, where he will arrive on August 25, to take the waters. He will be accompanied by his adjutant, Major Ebmeyer.

"The nomination of Attorney-General Culberson for governor of the state is something of a victory for the young men or 'kid' Democracy. Mr. Culberson is still on the sunny side of forty, but he has already shown that, 'in a joiltical race, he can run like sixty," says the Houston, Tex., Post.

Murat Halstead wants presidents elected every two years. The people will not gratify his wants.

Mrs. George B. McClellan, widow of General McClellan, is at Saratoga. The country people of France call Mine. Casimir-Perier "the good angel."

George Francis Train will join Mrs. Sallade in her crusade against crime in New York.

### THE CANDIDATE

He jumps to the saddle, He slams the yard gate; Behold him skedaddle All over the state!

The office goes running— His speed doesn't slack; He thinks it is funning And keeps on its track.

He travels in daytime, He travels at night: He's on hand at haytime And talks to 'em right.

His platform he's screeching From hilltop and glen; A front row at preaching, He hollers "Amen!"

He's full of good nature
And Stone Mountain "corn;"
The state legislature
